

# MILITARY AND VETERAN AFFAIRS

Eastern Kentucky University

Eastern Kentucky University is committed to working side by side with veterans who seek to further their education. The Office of Military and Veteran Affairs is the one-stop-shop for veterans, active duty students, and family/dependents of active duty individuals at EKU.

## Meet Our Staff

Jacob Alleyne is a new work study in our office, and has already made a positive impact on all students who have walked through our doors. He is a hard working student who is involved with many organizations on campus, primarily Track and Field, and Crew. He was born in Fort Lauderdale, and grew up in Orlando, Florida. His mother has served in the active reserves for 35 years and his father is retired from the Army after 15 years of service. He plans to pursue his degree in geology to work in soil and water conservation. Jacob is very excited about the future of EKU as a college campus, and believes that, due to all the construction and innovations, EKU is a very good investment for one's education. He has one dog, Scruffy, who is a Yorkshire Terrier, and enjoys many hobbies, including white water rafting, kayaking/canoeing, completing rope courses, and learning the history of music.

Please join us for the 2017 Fall Veteran Graduation & Recognition Ceremony. Graduates, along with their families, will be honored and recognized for their academic achievement, and will be presented with a certificate, their red, white, and blue cord, and their EKU VETS coin. The ceremony will be in the Perkins Building, Quads A & B, on Thursday, December 14th at 6:30 pm.
